Objectives and themes

Academic journal "Political Science Issues" is an international peer-reviewed scientific periodical in the field of political studies. The journal has an international character because of the composition of its Editorial Board, its editors, its contributing authors and topics of its publications.

The scientific journal is published since 2011 at the "Publishing House "Science Today". Translated (eng.) version of the journal is published since 2016. Since its inception, the journal was guided by high scientific and ethical standards and today it is one of the leading political science journals in Russia.

The purpose of the journal is to promote scientific exchange and cooperation between Russian and foreign political scientists.

The journal is intended for the publication of the results of fundamental and applied scientific research. Thematic focus of the journal is reflected in the following permanent headings: "History and philosophy of politics," "Political institutions, processes and technologies," "Political regionalism and ethno-politics," "Political culture and ideologies," "Political problems of international relations and globalization."

Format of publications: scientific articles, reviews, scientific materials, materials of round tables, scientific reviews, scientific reports devoted to research problems in the field of politics and political science.

The Editorial Board and the editors of the journal in their activities are guided by the principles defined by VAK of Russia for scientific journals, including: presence of the institute of peer review for the expert quality assessment of scientific articles; information openness of the publications; availability and compliance with the rules and ethical standards for the submission of manuscripts by the authors.

The target audience of the journal is Russian and foreign specialists-political scientists, as well as graduate students and masters in the fields of political science, state and municipal management and international relations.

The journal strictly adheres to the international publishing standards and publication ethics identified in the COPE (*Committee on Publication Ethics*) document. <http://publicationethics.org>.
